

PT EIGEN TRI MATHEMA

CREATING VALUE

 BUILDING

TRUST

Built on trust and driven by
value, every partnership is
shaped to last and succeed

VALUE AND INTEGRITY IN EVERY WORD AND CODE !

Eigen is an IT services and software solutions provider, specializing in IT consulting and custom software engineering.

Originating as the IT Division of PMPS Group (established in 1982), Eigen became independent in 2019 to meet rising demand. We now serve global enterprises and private companies, delivering technology excellence, faster time-to-market, and secure, high-quality software solutions.

ABOUT US

SERVICES

Delivering value-driven software development, technology solutions, cloud services, and managed support to empower lasting business growth

WEB APP DEVELOPMENT

Building secure, scalable, and user-friendly web applications tailored to your business needs

DESKTOP APP DEVELOPMENT

Custom desktop app development that enhances performance and productivity.

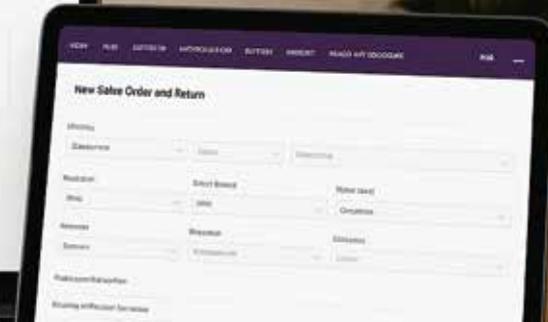

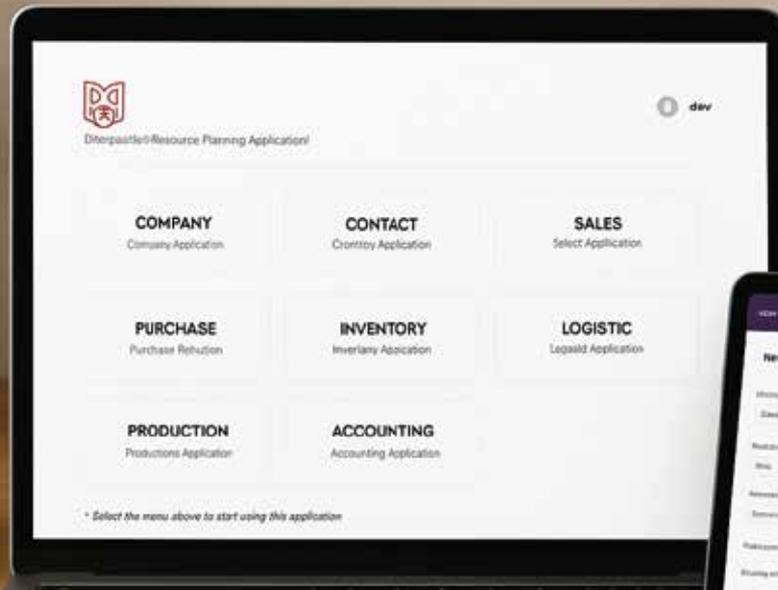

MOBILE APP DEVELOPMENT

Mobile app development that blends innovation, reliability, and user-focused design.

DEDICATED DEVELOPMENT TEAM

Through our Dedicated Development Team model, we provide highly skilled professionals who work exclusively on your projects as an extension of your organization. This approach gives you access to the technical excellence, speed, and flexibility you need while maintaining cost efficiency, operational transparency, and a value-driven partnership.
